Long Term Medications Form

In supporting the health and wellbeing of children, the use of medications may be required for children at the Service. All medications must be administered as prescribed by medical practitioners and first aid guidelines to ensure the continuing health, safety, and wellbeing of the child.

Elysium OSHC acknowledges that some children may be required to take medications on a regular basis, and that the dosage or method of administration may not change. To ensure educators of the Service can routinely administer your child's required regular medication, please complete the below form and provide your consent.

Name of Child: _____

To be completed by the parent/guardian						
Name of Medication	Last administered		To be administered by educators		Dosage to be administered	Method of Administration
	Time	Frequency	Time	Frequency		

I authorise educators to administer medications using the above guidance and instructions.

Signature: _____ Date: _____
